Personal Profile

I am a passionate and hardworking third-year undergraduate who takes pride in balancing both academic and sports commitments. I enjoy working in team environments and value collaboration. I am always eager to learn new skills, take on challenges, and continuously improve both personally and professionally.

Education

University of Moratuwa | 3rd year undergraduate

May 2023 – Dec 2027

B.Sc. (Hons) in Information Technology and Management

- CGPA: 3.77
- Dean's List (semester 1, semester 2)

Maliyadeva Balika Vidyalaya, Kurunegala

Feb 2007 – June 2022

ABC (z-score: 1.35) in GCE Advanced Level Examination 2021

- A - chemistry
- B - Combined Mathematics
- C - Physics

8As 1B in GCE Ordinary Level Examination 2017

Projects

WayFinde - A Platform to Connect Travelers | Software

2nd year project

Technologies Used: React,.NET, CSS, MSSQL

- As the team leader, I led the design and development of a full-stack travel platform aimed at helping users discover destinations, plan trips, book accommodations and vehicles, and manage travel budgets. The platform features user reviews, travel blogs, collaborative trip planning, and an admin panel for managing content and users.

Smart Shoe to Detect Walking Abnormalities of Children | Hardware

1st year project

Tools Used: Arduino

- Designed microcontroller based smart shoe system to assist users through real-time feedback and sensor-based data collection. The shoe integrates embedded sensors to detect specific patterns and alerts users accordingly.

Extra-Curriculars and Achievements

University Carrom Team

2023 - current

A member of the University Carrom Team

- Received University Colours Awards for contributions to the university carrom team.

SHECODERess V6.0 | Top 5 - Finalists

2025

Algorithm Hackathon & Design Challenge

Devthon 2.0 | Top 12 - Finalists

2025

Project: SkillForge – A peer-to-peer skill exchange platform designed for university students using a smart barter system. Enables users to list skills they can teach and request skills they want to learn, fostering a collaborative learning community.

Code Rush | 12th Place

2024

Participated in Code Rush, a 24-hour coding event focused on critical thinking problem solving challenges. Gained hands-on experience in teamwork, time-bound development, and rapid problem-solving.

Skills

- **Programming Languages:** C, SQL, JavaScript
- **Frameworks & Tools:** ReactJS, NEXTJS, .NET, NodeJS
- **Databases:** MongoDB, Microsoft SQL Server
